# Media information

Dear Media Representative,

Welcome to the second season of the Women's EHF Cup in the new format. Before the 2016/17 season the Cup Winners's Cup has merged with the Women's EHF Cup into one competition - the new Women's EHF Cup. Just like in the men's version of the EHF Cup, the new competition also included the group phase preceded by qualification rounds and followed by quarter-finals. The semi-finals and the final are played in a home and away games format.

In the following media information you will find the essential facts you will require for the final two games and the participating teams. Additional information can be found on the [eurohandball.com](http://eurohandball.com) website.

## Media portal

All media representatives are invited to register for the EHF media portal on <http://members.ehf.eu>. The European Handball Federation's media portal is a one-stop-shop for media representatives offering all the EHF's media news such as press releases, event flash quotes directly after matches, press conference highlights, draw reactions and downloads of all relevant information including, but not limited to, media guides and event logos. Furthermore photographs that are free for editorial use will be available for download.

For further information or assistance, please do not hesitate to contact the EHF Media and Communications Department and we will be happy to help you with any information you may require.

# Important regulations

## What follows in case of a draw

If, after completion of the two matches, both clubs have won the same number of points (no extra time will be played), the teams' standings shall be determined by the following criteria:

- goal difference
- higher number of plus goals scored in away match
- penalty throws

## Rules for execution of penalty throws

- Prior to the penalty throws, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then take one throw each, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws.
- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take throws and throwers may perform as goalkeepers.
- The referees shall choose the goal at which throws are taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning

the draw may choose whether it wishes to throw first or last.

- If the scores are equal after the first round of penalty throws, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision is reached when a goal difference arises after both teams have taken one throw each.
- Eligible players are players entered in the match report that have not been disqualified or suspended at the time of the final whistle.
- Serious infractions committed during penalty throws shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.
- While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing court.
- If the number of eligible players falls below five, players may be named to take a second throw in the same round.
