Important regulations

Classification

All matches of the Challenge Cup shall be played in 2 x 30 minutes with a half-time break of 15 minutes.

Home and away matches

Classification shall be made by adding points as follows:

Win = 2 points
draw = 1 point
defeat = 0 points

The ranking of teams shall be based on the total number of points.

If after completion of the two matches both teams have won the same number of points, classification shall be made in the following sequence:

- goal difference
- greater number of plus goals scored in away match
- penalty throws

Rules for Execution of Penalty Throws

- Prior to penalty throwing, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then take one throw each until a decision (a winner) is reached, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws.
- The goalkeepers may be freely selected from the roster and exchanged in accordance with the Rules of the Game. Goalkeepers may take throws and throwers may play as

goalkeepers.

c) The referees shall choose the goal at which throws are taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.

d) If scores are equal after the first round of penalty throwing, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).

e) In the second round, a decision (a winner) is reached when a goal difference arises after both teams have taken one throw each. After 5 throws, once again 5 players shall be named who are eligible to play (the players named before may be named once again).

f) Eligible players and goalkeepers are players entered in the match report who have not been suspended or disqualified.

g) Serious infractions committed during penalty throwing shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be named supplementary.

h) While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing area.

i) If the number of eligible players falls below five, players may be named to take a second throw in the same round.

Action starts in Luxembourg

The Men's Challenge Cup starts Friday night with a game between Handball Kaerjeng and debutants HC Shakhtar

The 2017/18 edition of the Men's Challenge Cup launches in Luxembourg on Friday night. Handball Kaerjeng will be trying to make better than the previous four years and make it past the second round; when they host HC Shakhtar-SHWSM for a double-header.

Unlike Kaerjeng, the Ukrainian visitors – who consist entirely of domestic players – are debutants in Europe this season. The return match is taking place already on Saturday evening.

Another Luxembourgish team, Red Boys Differdange, have slightly prouder traditions in Europe than Kaerjeng have. In fact, the Red Boys were in the VELUX EHF Champions League qualifiers last season; without reaching the group phase, though.

On Saturday, they receive Lithuanian Kauno Azuolas-KTU Kaunas for the first leg in the Centre Sportif de Differdange.

This means that two European debutants will be visiting Luxembourg this weekend; as the Kaunas side are also starting their first European campaign in history with this round.

Cambridge HC are in Europe and in the Challenge Cup for the third time in their history.

In the 2014/15 season as well as last year, the team from famous university city reached Round 3; and in their attempt to make it a third time; their journey is leading them to Serbia.

Here, the British side is facing ORK Samot 65 who are new to European handball. The two teams meet in a double-header in Arandjelovac; the two matches being played Saturday and Sunday evening.

A.C. PAOK's finest international achievement so far has been reaching the group phase of the EHF Champions League back in the 2009/10 season.

This season; the Greek team are celebrating their European comeback after three years of absence by going to Malta.

Here, they are meeting Aloysians Von Taine who will try to make it better than their only previous European campaign. In the 2011/12 season, the Maltese club reached exactly Round 2 of the Challenge Cup. The first leg in Msida, Malta is throwing off Saturday afternoon.
