Media information

Dear Media Representative,

Welcome to the second season of the Women's EHF Cup in the new format. Before the 2016/17 season the Cup Winners's Cup has merged with the Women's EHF Cup into one competition - the new Women's EHF Cup. Just like in the men's version of the EHF Cup, the new competition also included the group phase preceded by qualification rounds and followed by quarter-finals. The semi-finals and the final are played in a home and away games format.

In the following media information you will find the essential facts you will require for the final two games and the participating teams. Additional information can be found on the eurohandball.com website.

Media portal

All media representatives are invited to register for the EHF media portal on <http://members.ehf.eu>. The European Handball Federation's media portal is a one-stop-shop for media representatives offering all the EHF's media news such as press releases, event flash quotes directly after matches, press conference highlights, draw reactions and downloads of all relevant information including, but not limited to, media guides and event logos. Furthermore photographs that are free for editorial use will be available for download.
