Media information

Dear Media Representative,

Welcome to the final of the Women's Cup Winners' Cup last season. Before the 2016/17 season the Cup Winners's Cup will merge with the Women's EHF Cup into one competition - Women's EHF Cup. Just like in the men's version of the EHF Cup, the new competition will also include the group phase preceded by qualification rounds and followed by quarter-finals. The semi-finals and the final will be played either in a home and away games format or in a final tournament in one venue, if there will be an attractive concept presented to the EHF.

In the following media information you will find the essential facts you will require for the final two games and the participating teams. Additional information can be found on the eurohandball.com website.

Media portal

All media representatives are invited to register for the EHF media portal on <http://members.ehf.eu>. The European Handball Federation's media portal is a one-stop-shop for media representatives offering all the EHF's media news such as press releases, event flash quotes directly after matches, press conference highlights, draw reactions and downloads of all relevant information including, but not limited to, media guides and event logos. Furthermore photographs that are free for editorial use will be available for download.

For further information or assistance, please do not hesitate to contact the EHF Media and Communications Department and we will be happy to help you with any information you may require.

[EC Regulations](#)

Important regulations

Scoring of the matches in the final

If, after completion of the two matches, both clubs have won the same number of points (no extra time will be played), the teams' standings shall be determined by the following criteria:

- goal difference
- higher number of plus goals scored in away match
- penalty throws

Rules for execution of penalty throws

- Prior to the penalty throws, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then take one throw each, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws.
- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take throws and throwers may perform as goalkeepers.
- The referees shall choose the goal at which throws are taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.

- If the scores are equal after the first round of penalty throws, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision is reached when a goal difference arises after both teams have taken one throw each.
- Eligible players are players entered in the match report that have not been disqualified or suspended at the time of the final whistle.
- Serious infractions committed during penalty throws shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.
- While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing court.
- If the number of eligible players falls below five, players may be named to take a second throw in the same round.

Preview

The teams in the Women's Cup Winners' Cup final are used to facing each other. When the first leg starts in Holstebro between Team Tvis Holstebro and Handball Club Lada Sunday, it will be the start of the fifth European tie between the two clubs.

Holstebro and Lada are probably two of the European women's club teams who have seen the most of each other in recent years. This season - the last Cup Winners' Cup final in history as it merges with the Women's EHF Cup next season to form the Women's EHF Cup – will be the fifth European tie between the two clubs over the past five years.

Based on the first four meetings, the statistics speak in favour of Holstebro. Three times the Danish team took the aggregate win and proceeded, while Lada needed the rule about most away goals to take the overall win for the only time the Russian team was successful. However, Camilla Herrem, left wing for Team Tvis Holstebro, is not sure that statistics from the past will be of much use to the team this time.

"There is no doubt in my mind that it will be tougher than before against Lada this time," she said. "They have a considerably stronger team than the previous times our team has met them."

Norwegian World and European champion, and her coach Peter Krautmeyer agrees with his player. "It will more or less be the Russian national team we are up against," he said. "Their greatest star is right-back Irina Bliznova, but we will certainly also have to keep an eye on playmaker Daria Dmitrieva who is number two or three among the playmakers in the Russian national team. "However, there is no doubt that we will need a really good result in our home game, if we are going to have a chance in the return match where we are sure to be under heavy pressure from 2,500-3,000 spectators."
