X. INSTANT REPLAY TECHNOLOGY AND GOAL-LINE CAMERAS

Instant replay offers the possibility to the referee to immediately watch a situation on a TV screen, if they were not able to see the complete action on the court and if they wish to check again before reaching a decision. The goal-line technology allows referees to utilise a number of cameras fixed on the goal to check whether the ball crossed the goal-line. Furthermore the referees can also check if the ball crossed the goal-line before the end of the sets.

These pictures are easily accessible for the referees on a monitor on the support table positioned behind official table on the court. The system, due to the absence of goal line, provides on screen a virtual goal line for a clear view of the ball position.

The use of both goal-line technology and the instant replay (disqualification and consequences) is exclusively the responsibility of the referees and only the referees can decide to make use of it or not.

This action cannot be taken in any case after awarding the goal. The protocol for this request will be explained during the technical meeting to the teams.

XI. IMAGE/PERSONALITY RIGHTS

- 11.1. All participating members grant EHF the right (royalty-free) to use photos and graphic materials of players and officials as well as team names, emblems and players uniforms within the framework of the ebt Finals for non-commercial purposes.
- 11.2. All participating teams grant EHF the right (royalty-free) to use any photo, any material (print material, ads, internet, product presentation, video etc.) produced for/at the ebt Finals for beach handball / EHF competitions promotions and sport development (training, teaching, etc.) purposes.
- 11.3. The EHF has the right to transfer these aforementioned rights of use to a marketing partner for the same purposes.
- 11.4. Each participating team must obtain the consent of the respective players and officials participating in the ebt Finals to the use of their image as defined here above. Each participating team must hold EHF and its partners harmless from any legal action from a player concerning the player's image/personality rights.
